September 1, 2014

To Whom It May Concern,

Saminco is proud to announce that Nautitech Mining Systems Pty Ltd. (NTMS) is Saminco's Sales and Service partner for Australia and New Zealand.

NTMS also designs and manufactures electronic equipment for hazardous areas for underground coal mining applications.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jon Anderson", with a long horizontal flourish extending to the right.

Jon Anderson,
VP, International Sales,
Saminco Inc.
