- Explosion proof AC Conveyor motor (07-JA060014-0)
- Designed for use with the Saminco VF1-75 Variable Frequency Drive
- Interchangeable with the 7DB320J Conveyor motor
- Capable of up to 300% nominal torque output - 590Nm Breakdown Torque
- Insulation system resistant to repeat transients and designed for excellent heat transfer
- Custom manufactured for Saminco
- Low-loss, low slip fabricated Copper-Barred rotor
